

Effective Reading Strategy: SQ4R template

SURVEY <i>Skim for overview of content and purpose. Check meaning of key terms.</i>	
What do I already know?	What do I predict I might learn?
QUESTIONS <i>Write questions: What? When? Who? Why? How?</i>	
READ <i>Answer questions raised, scan for specific information, make notes in the margins, underline key terms</i>	
RECITE <i>Restate main idea(s) and key concepts in your own words (notes/diagram/mind-map).</i>	
REVIEW <i>Reread your notes. Review objectives for reading and questions posed earlier. Write a paragraph summary.</i>	
RELATE/REFLECT <i>Make connections with what you already know about the topic and how you will use this new information.</i>
